GRADES

G11 S2 report cards

G11 Achievement grades

G12 October Predicted Grades

SUMMER

- If permissible, visit universities you are serious about. Virtual tours (website, YT, TikTok, etc.) are totally fine too.
- Summer of learning, especially **supercurriculars** (beyond the classroom; attain deeper understanding; related to your academic interests):

Internship, paid work, read books/journals/specialist magazines/newspapers, watch documentaries/TedTalks/films, listen to podcasts, listen to lectures, enter competitions, visit specific places, visit an exhibition, join a group, take extra qualifications, – **should be fun, enjoyable, bc you like learning it, shows your passion and enthusiasm**

SUMMER

- Begin a journal or voice recording of your daily highlights. By accruing a bank of events, you may have something specific and interesting to say about yourself in your essay/personal statement.
- Take any ELP tests; entrance exams
- Create a timeline; indicate due dates
- Enter your all your universities into MaiaLearning
